Office Memorandum • UNITED STATES GOVERNMENT

TO : Mr. Ladd

DATE: February 28, 1952

FROM : Mr. Rosen

Time of call: 7:20 p.m.

SUBJECT: PETER ALTIERI
DOROTHY LAMOUR - VICTIM
EXTORTIONPURPOSE:

To advise that subject was interviewed and admitted writing letter to victim and also that he indicated mental incompetence by insisting he is married to victim, that he was formerly married to Mae West, used to be lightweight boxing champion of the world and a former Philadelphia Police Officer. To recommend that the Los Angeles Office inform victim's secretary of the results of this investigation.

BACKGROUND:

You will recall that the victim's fan mail secretary turned over to the Los Angeles Office, a letter from subject to victim wherein subject claimed to be victim's husband and wanted some money. The victim is in New York and according to her secretary, knows nothing of the receipt of this letter. The secretary knew nothing concerning the subject.

DEVELOPMENTS:

The Philadelphia Office made discreet inquiry and determined that the subject has not been mentally competent since his father died about 15 years ago. He is considered harmless and is supported by his brother [redacted]. He is known to have stated that he is "Jesus Christ." He told his mother that he wanted to be married and recently asked her permission to go to California to see his wife. He was born in Italy in 1904 and was naturalized in 1929 in Philadelphia.

SA Waldman, Night Supervisor, Philadelphia Office, advised that the subject was interviewed today at his home by Bureau Agents and admitted sending the letter to victim. He claimed he can not write and said he had the letter typewritten by a friend whom he would not identify. He said he signed the letter. He claimed he is married to the victim and has one child named Pete. It is to be noted that his brother has an adopted boy named [redacted] and subject associates with younger boys in the neighborhood where he lives. He said he had only written this one letter to victim

and he does not intend to write any more letters but expected to receive \$3,000 from victim because she promised to give him that amount when they separated. He said he might write another letter if he did not receive any word from her. He told agents he was formerly married to Mae West, used to be light weight boxing champion of the world and was a former policeman in Philadelphia.

Subject's brother told agents that subject was in a mental hospital for two weeks in 1934 and has not been right since. His brother said he would keep closer watch on subject to prevent him from writing another letter.

RECOMMENDATION:

That in view of the subject's apparent mental incompetence and the lack of any definite threat contained in the letter that the attached teletype be sent to the Los Angeles Office instructing that it will not be necessary to present this matter to the United States Attorney and that victim's secretary should be discreetly informed of the results of the investigation concerning subject.

[redacted] Postman, number 1211, advised that he has delivered mail to the ALTIERI family for the past nine years, but he has never had an occasion to talk with PETER ALTIERI. He claimed that PETER ALTIERI does not work and he has always observed him around the house during the time that he has delivered mail to that address. [redacted] stated he has never heard anything concerning the reputation of PETER ALTIERI.

Mrs. [redacted], 1721 Ribner Street, advised that she has been acquainted with the ALTIERI family as neighbors for approximately 10 years. She stated that she always thought there was something wrong with PETER ALTIERI, inasmuch as he does not work and is usually seen in the neighborhood taking care of his three year old nephew. She stated she was under the impression that PETER was a mental case, however, she never talked with him, and never heard anything specific concerning her opinion. She added that the ALTIERI family has a good reputation in that neighborhood as being law-abiding citizens.

Mrs. [redacted], housewife, 2320 South Boulevard Street, who is reported to be a very reliable person, advised that she has been acquainted with the ALTIERI family for approximately 10 years as close neighbors, and has had frequent contacts with PETER ALTIERI's mother. She stated that PETER ALTIERI is a mental case, and has not been mentally competent since his father died approximately 15 years ago, and she understands that he has not had a job of any responsibility since that time. He has the reputation of being harmless and is never known to create any disturbances in the neighborhood. The other families in that neighborhood with children permit them to associate with PETER as he appears to have an IQ of approximately a 10 to 12 year old boy. His mother told Mrs. [redacted] that he often claims that he is important persons, and at one time, told her that he was Jesus Christ.

PETER ALTIERI is supported by his brother, [redacted] and to further substantiate that PETER ALTIERI is harmless, Mrs. DI ROCCANI stated his brother [redacted] permits PETER to take their three year old adopted son out for walks every day. She further advised that PETER's mother told her that PETER recently said that he wanted to be married like everyone else and asked his mother's permission to go to California to see his wife.

She added that PETER ALTIERI is always home at night and has never been known to make any trips out of this city. He visits his brother and mother, according to Mrs. [redacted]. She never knew him to become violent and added that PETER cannot read or write, but is believed to be able to sign his name.

Mrs. [REDACTED] [REDACTED]

advised that she has seen PETER ALTIERI in the neighborhood for several years, but never talked with him and she added that she often wondered if he was a mental case, inasmuch as he does not work and associates with younger children in the neighborhood. She never knew him to become violent and considered him harmless.

On February 28, 1952, [REDACTED] [REDACTED]

[REDACTED] was interviewed and advised that his brother, PETER, is in the Philadelphia General Hospital as a mental patient for [REDACTED] weeks in 1934, and said, "PETER has not been right since". He does not work but runs small errands for his brother and mother, and is permitted to walk [REDACTED] three year old boy in the neighborhood. [REDACTED] claims that he has never received any complaints against his brother's activities in the neighborhood, and the neighbors consider him a mental case but harmless. Sometimes he goes away from home for a few hours and hangs around the various movies in the neighborhood, and some of the boys in the neighborhood who know he is a mental case, talk him into doing things that only a person with an unbalanced mind could do. They tease him about his various wives and PETER is always letting his imagination run away with him. He claims he has been married to prominent girls, and is always claiming to be an important person. He has never been married and was never known to mention DOROTHY LAOUR.

b6
b7C

PETER has not had a job of any responsibility since 1946, but has had a few minor jobs with a few companies since that time, but has not worked at any place since 1946.

[REDACTED] added that the property at 2325 South Bouvier Street is in PETER ALTIERI's name and there is approximately \$1,000 mortgage on it. He claims that PETER cannot read or write, but can sign his name. There is no typewriter in their home and he stated that PETER cannot use a typewriter. He claimed that he would keep a closer watch on PETER to prevent him from sending additional letters. He added that PETER minds him very well and doubts that any more letters will be sent.

PETER ALTIERI was interviewed on February 28, 1952, by the reporting agent and SA EDWARD I. COLE, at 2325 South Bouvier Street. He readily admitted sending a letter to DOROTHY LAOUR and said that he did not mean for it to contain a threat, and did not mean to imply a threat. He claimed that he did not want to hurt anyone, and claimed this was the only letter he ever sent to her or anyone else. He stated that he mailed the letter on February 14, 1952, and said it was written by a friend of his who he would not identify. He said that he told this person what to write in this letter, inasmuch as he cannot write and cannot use a typewriter.

9-21800-0

He claimed that he was married to DOROTHY LAMOUR in Philadelphia, Pa., in 1923, and made her the important person she is today. He claimed that they separated a few years after the marriage, and Miss LAMOUR agreed to give him money every month. He claimed that they have a son, PETE, from this marriage. He claimed that he was formerly married to MAE WEST, and further claimed that he was Light Weight Champion of the World in boxing in 1923. He claimed that he used to own a lot of property in Philadelphia, and was formerly a policeman and claimed that they owe him for two weeks' pay. He states that he is now unable to work because he is physically handicapped.

He visited the circus in Philadelphia, in the summer of 1951, and DOROTHY LAMOUR was there making a moving picture and he tried to see her with the help of his friend J. B. He refused to identify J. B., but later admitted that he was a homosexual. He said that J. B. obtained \$3,000 from LAMOUR when she was in Philadelphia, in 1951, but that he did not give it to him. He promised he would not write her any more letters, but expects to receive money from her, and that he might write her another letter if she did not send him money that is due him.

ALTIERI added that he did not understand the seriousness of writing any other letters to Miss LAMOUR because she was his wife.
